Mr. Demandt has gained extensive experience over many years as a General Manager as well as a Managing Director at both national as well as international facilities. He is fluent in business Chinese and Japanese as well as in English.

As a member of the executive board, Acis Demandt will join the CEO, Dr. Andreas Nitze, the CFO, David Schwem, and the CTO, Volker Schmidt, as the team responsible for the commercial success of the Berliner Glas Group. As COO he will make a substantial contribution to improve the Group's competitiveness at the international level.

About Berliner Glas:

The BERLINER GLAS GROUP (www.berlinerglasgroup.com) is one of the world's leading providers of optical key components, assemblies and systems as well as high-quality refined technical glass. With more than 1,100 employees, BERLINER GLAS develops, produces and integrates optics, mechanics and electronics into innovative system solutions for its customers. As OEM partners from concept to volume production, the BERLINER GLAS GROUP companies serve innovative customers in various market segments – semiconductor industry, laser and space technology, medical technology, metrology and the display industry.
